Title

ASSIGNMENT

This assignment, by James Varani, John J. Voorhees, and Gary J. Fisher, (hereinafter collectively the "assignor"), witnesseth:

WHEREAS, the assignor is the sole owner of an invention entitled "Method for Protecting & Restoring Skin Using Selective MMP Inhibitors", as set forth in an application for Letters Patent of the United States accorded serial number 09/740,242 and filed on 18 December 2000; and

WHEREAS, The Regents of the University of Michigan, having its principal place of business at 3003 South State St., Wolverine Tower, Ann Arbor, Michigan 48109-1287 (hereinafter the "assignee"), has agreed to accept an interest in any and all income, from sales, licenses, or otherwise, generated from said invention and said patent in exchange for its fees for prosecution of the application;

NOW, THEREFORE, for valuable consideration, receipt of which is hereby acknowledged, the assignor hereby sells, assigns, transfers, and sets over, unto the assignee, its successors, legal representatives, and assigns, the entire right, title, and interest in and to the above mentioned inventions, application, and any and all Letters Patent or Patents in the United States of America and all foreign countries which may be granted therefor and thereon, and in and to any and all divisions, continuations, and continuations-in-part of said application, or reissues or extensions thereof, and to invoke and claim for any application for patent or other form of protection for said invention(s) filed by it or them, the benefit of all rights under the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it, the same to be held and enjoyed by the assignee, for its own use and behoof and that of its successors, legal representatives, and assigns, to the full end of the

term or terms for which Letters Patent or Patents may be granted, as fully and entirely as the same would have been held and enjoyed by the assignor had this transfer not been made.

AND for the same consideration, the said assignor hereby covenants and agrees to and with the said assignee, its successors, legal representatives, and assigns, that, at the time of execution and delivery of these presents, the said assignor is the sole and lawful owner of the entire right, title, and interest in and to the said invention(s) and the application(s) and/or patent(s) above mentioned, and that the same are unencumbered and that the said assignor have good and full right and lawful authority to sell and convey the same in the manner herein set forth.

AND for the same consideration, the said assignor hereby covenants and agrees to and with the said assignee, its successors, legal representatives, and assigns, whenever counsel of any of the same shall advise that any proceeding in connection with said inventions or said application for Letters Patent, or any proceeding in connection with Letters Patent for said inventions in any country, including interference proceedings, is lawful and desirable, or that any division, continuation, or continuation-in-part of any application for Letters Patent, or any reissue or extension of any Letters Patent for said inventions in any country to be obtained thereon is lawful and desirable, that they shall sign all papers and documents, take all lawful oaths, and do all acts necessary or required to be done for the procurement, maintenance, enforcement, and defense of Letters Patent for said inventions, without charge to the assignee, its successors, legal representatives, and assigns, but at the cost and expense of the assignee, its successors, legal representatives, and assigns.

AND the said assignor hereby requests the Commissioner of Patents to issue said Letters Patent of the United States to the said assignee as the assignee of said invention(s) and the Letters Patent to be issued thereon for the sole use and behoof of the assignee, its successors, legal representatives, and assigns.

We hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any assignment, consent to file or like document which may be required in any country for any purpose and more particularly in proof of the right of the said assignee or nominee to claim the aforesaid benefits provided under the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it.

I covenant with said assignee, its successors, assigns and legal representatives, that the rights and property herein conveyed are free and clear of any encumbrance, and that we have full right to convey the same as herein expressed.
